-- The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

1. ☒ The amendment filed on 10 June 2008 under 37 CFR 1.312 has been considered, and has been:

- a) ☐ entered.
- b) ☐ entered as directed to matters of form not affecting the scope of the invention.
- c) ☐ disapproved because the amendment was filed after the payment of the issue fee.

Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.

- d) ☒ disapproved. See explanation below.
- e) ☐ entered in part. See explanation below.

37 CFR 1.312 provides for amendment to the application. The submission filed 6/10/08 is a request that a previously and properly-filed IDS be considered by the examiner, and that the record reflect the same, but dressed in "312 clothing." Insofar as the 6/10/08 does not seek to amend the application, it is denied entry.

Either under separate cover, or attached hereto, please a Supplemental Notice of Allowability to which is attached the IDS of 12/27/07, evidencing consideration by the examiner of the partial human translation in question.

The examiner regrets the inconvenience to applicant.

/Chester T. Barry/
